

Clara CHOIN

Available from 19th October, Full time, Freelance or Casual

Energetic and versatile professional with a background in Communications, Events, and HR, now exploring new horizons in Australia on a Working Holiday Visa. I enjoy social environments and using my creativity to find quick solutions. I learn fast, adapt even faster, and I'm excited to jump into new roles outside my comfort zone. Outside of work, I am passionate about photography and dance, which keep me always full of positive energy.
